Kalasalingam University:

Kalasalingam University (formerly AKCE) was established in the year 1984 by the Kalasalingam Anandam Ammal Cherities, and is accredited by NAAC with "A" Grade. It offers 14 U.G. Courses, 29 P.G Courses and Ph.D Programmes in various disciplines.

The University has signed MOU with many foreign universities, research organizations and industries with an objective of promoting Research and Development.

National Cyber Defence Research Centre:

This centre focuses on building Science and Engineering foundations for Cyber Security and Forensics. Today, Research and Development explore to make systems more secure. The Cyber Defender Programme creates a pipeline of qualified candidates in Cyber Security and Forensics to address homeland security needs. This centre enables and mentors students to acquire practical experience in computer systems, network operations and information protection to encounter cyber threats.

Cyber Security:

Cyber Security is the body of technologies, processes and practices designed to protect networks, computers, programs and data from attack, damage or unauthorized access.
