ON  
JUNE 15 - JUNE 17, 2017

Organized By

**DEPARTMENT OF COMPUTER SCIENCE AND  
INFORMATION TECHNOLOGY**

*"Knowledge is constructed, not transferred."*

### About the University :

Kalasalingam University, formerly known as Arulmigu Kalasalingam College of Engineering (AKCE) was started in 1984. Late "Kalvivalal" Thiru T. Kalasalingam, a veteran freedom fighter is the founder Chairman. The founding philosophy of the institute is to "Empower Youth", for development through technology. The University offers 16 UG courses, 29 PG courses and Phd programs in all disciplines. Our University is the first institution in India to offer 6 years Integrated B.Tech course in Engineering for Speech & Hearing Impaired Students. The University has signed Mou with many Foreign Universities, Research Organizations. Our University is accredited by National Assessment and Accrediation Council (NAAC), Bengaluru with 3.11 on a 4 point scale.

### About the Department :

KLU decided to launch Master of Science in Computer Technology programme in 2007, B.Sc (Computer Science) and B.Sc (Information Technology) programmes in 2014. These Programmes aim to attract bright students throughout country for quality education at under and Post graduate level. At present, the department offers two Undergraduate and one Postgraduate degree programmes. These programs are designed to produce IT professionals with latest technical and professional skills to meet the requirements of the industry.

**RESOURCE PERSON : EXPERTS FROM INDUSTRY  
AND FACULTY MEMBERS OF KLU**

### ABOUT THE FDP :

The main objective of this Faculty Development Programme (FDP) is to provide wide exposure for faculty members in handling the course "Open Source Technologies and Python Programming". This contributes to gain experience using open source languages. This course enables to work with the Python fundamentals and explore Python's object-oriented features. This course will also be useful for the faculty members who are really interested in pursuing a research and to upgrade their knowledge in the area of Open Source Development Tools.

### COURSE TOPICS :

- Open Source Applications
- Fundamentals of Python
- Data Structures in Python
- File Handling in Python
- OOPs concept in Python

### GENERAL RULES :

✓ Maximum of 30 participants  
(First Come First Serve Basis)

**REG FEES: 500 Rs/-**
