Sustainability Policy of KARE

We at Kalasalingam Academy of Research and Education are committed in achieving carbon neutrality and to reduce the environment impacts.

We shall achieve this by

- Meet the regulatory requirements of all relevant legislation and be a role model in maintaining the standard
- Include sustainability principles into the procedures and plans of the institute, and involving students and staff
- Adopt Reduce, Reuse and Recycle at all possible level of resource utilization and keep the environmental impact as minimum as possible
- Supervise continuously and review at regular intervals the environmental performance
- Create and innovate strategies and methods to implement for improving sustainability outcomes
- Provide need based training for creating awareness among students and staff
- Monitor the contractors and operators on the institute campus to comply with the requirements of this policy

The policy will be communicated to all the concerned within the campus and reviewed periodically for its effectiveness with continual improvement
