1 Short Title and Commencement

- a) These regulations shall be called the KARE Academic (UG Arts & Science) Regulations, 2021.
- b) These shall apply to all UG level Arts and Science programmes, offered by Kalasalingam Academy of Research and Education (Deemed to be University u/s 3 of UGC act, 1956)
- c) These shall come into effect from the academic year 2021-22.
- d) These are subject to amendments as may be made by the Academic Council of the institute from time to time. Any or all such amendments shall be effective from such date and to such batches of students including those already undergoing the programme, as may be decided by the Academic Council.

2 Definitions

- a) “Commission” means University Grants Commission (UGC).
- b) “Institute” means Kalasalingam Academy of Research and Education.
- c) “Programme” means cohesive arrangement of courses, co-curricular and extra-curricular activities to accom-

plish predetermined objectives leading to the award of a Degree (Hons).

- d) “Course” means a unit of teaching, which encompasses various topics, that typically lasts one semester, is led by one or more faculty and has a fixed set of registered students.
- e) “Degree (Hons)” means an academic Degree (Hons) conferred by the University upon those who complete the undergraduate programme successfully.
- f) “Regular Students” means students enrolled into the three year programme in the first year.
- g) “Academic Year” means constituting of two consecutive (one odd + one even) semesters.
- h) “Choice Based Credit System” means providing choice for students to select courses from the prescribed course categories, in the preferred semester complying prerequisites and based on their learning aptitudes.
- i) “Staff Council” means a council comprising Directors, Deans, Heads of the Departments, Controller of Examinations and Registrar and chaired by Vice-Chancellor.
- j) “Faculty Advisor” means a member of the faculty who gives advice to students.

- k) “Course Coordinator” means a member of faculty who is responsible for maintaining the quality and consistency of instruction and assessment for a given course or module (group of courses).
- l) “Class Committee” means a committee of particular class or section consisting of course handling faculty of that class and select students of the students.
- m) “Programme Coordinator” means a member of faculty who is responsible for program curricular changes, and annual programme assessment activities.

3 Admission

3.1 Eligibility for Admission

At the time of admission, a candidate should have successfully passed the examination conducted by a Board/University at the +2 level of schooling (either through formal schooling for 12 years, or through open school system) or its equivalent.

- a) The admission shall be made on merit on the basis of criteria notified by the university, keeping in view the guidelines/norms in this regard issued by the UGC / Board of Management and other statutory bodies from time to time.

- b) A student can be admitted directly to the second year of a first Degree programme, if the student has already successfully completed a first Degree programme and is desirous of and academically capable of pursuing another first Degree programme in an allied subject in this institute.

3.2 Seat Allocation and Admission

- a) **Seat Allocation:** The Admission Committee will offer the admission, in the order of merit, to the successful candidates, taking into account the choice of the programme indicated by the candidate and the availability of seats in each Programme. The decision of the Admission Committee is final in allotting the seat.
- b) **Admission:** The selected candidate will be admitted into the programme after he/she fulfils all the admission requirements as indicated in the offer of admission, and after the payment of all the prescribed fees within the due date announced.

3.3 Revocation of Admission

The institute may revoke the admission at any time during the program, if, it is found that a candidate has not fulfilled all the requirements stipulated in the offer of admission and report the same to Board of Management (BoM).

4 Academic System

4.1 Academic Calendar

The academic year is divided into two consecutive semesters. The odd semester may be scheduled from June/ July to December and even semester from December/ January to June.

The Academic Calendar approved by Academic Council shall strive to provide for a total of about 90 working days in each semester typically in 15-20 weeks. The academic calendar shall provide the schedule of academic activities such as dates for registration, continuous assessment and semester end examinations.

4.2 Medium of Instruction

The medium of instruction and examination is English.

4.3 Duration of the programme

4.3.1 Minimum Duration of the Programme

The minimum duration of the program as stipulated by the commission and council is:

- a) The minimum duration of the programme shall be three years consisting of six semesters.

4.3.2 Maximum Duration of the Programme

The maximum duration of the program as stipulated by the commission and council is:

- a) Maximum duration = $N+2$ years, where N stands for the minimum duration (years) prescribed for completion of the programme.
- b) Under any exceptional circumstance, a further extension of one more year may be granted subject to approval of Vice-Chancellor for the requisition made by the student.
- c) During the extended period the student shall be considered as a private candidate and also not eligible for first class.

4.4 Course Credit

Credit defines the quantum of contents/syllabus prescribed for a course and determines the number of in-seat hours, 50-minute periods, of instruction required per week. Thus, normally in each of the courses, credits will be assigned on the basis of the number of lectures / tutorial / laboratory work and other forms of learning (X-Activity: Programming tutorial, Virtual tutorial, Group work, Field work, Studio work, MOOC learning, Virtual Lab, etc.,) required to complete the course contents in a semester:

- **Lecture (L):** One credit for each one lecture hour per week.
- **Tutorial (T):** One credit for tutorial session of two hours per week.
- **Practical (P):** One credit for practical session of two hours per week.
- **X-Activity (X):** One credit for activity session of three hours per week.

The typical credit allocation scheme is shown in Table 1. The number of credits allotted for the course and the contact hours of the course are displayed in course catalogues/pages. The courses can have varying credits depending upon the contact hours and one credit lecture course requires 15 hours.

Table 1: Typical credit allocation scheme for courses

L	T	P	X	C
4	0	0	0	4
3	0	2	0	4
3	2	0	0	4
2	2	2	0	4
3	0	0	3	4
0	0	2	3	2
2	0	2	3	4

4.5 Type of Courses

The courses are classified into three types namely, 1)Theory Course (TC), 2)Practical Course (PC), and 3)Integrated Course (IC) based on instruction components used to deliver the course:

- a) **Theory Course (TC):** Courses with lecture (L) and/or tutorial (T) and/or X-Activity (X) but no Practical (P).
- b) **Practical Course (PC):** Courses with Practical (P) and/or X-Activity (X) but no Lecture (L).
- c) **Integrated Course (IC):** Courses with Lecture (L) and Practical (P) and/or Tutorial (T) and/or X-Activity (X).
 - **Integrated Course - Theory (IC-T):** Majority credits allotted to the course are contributed by Lecture (L).
 - **Integrated Course - Practical (IC-P):** Majority credits allotted to the course are contributed by Practical (P) and/or Tutorial (T) and/or X-Activity (X).

The typical course types based on credit allocation scheme is shown in Table 2.

Table 2: Typical course types based on credit allocation

Course Name	L	T	P	X	C	Course type
Calculus and Linear Algebra	3	2	0	0	4	TC
Introduction to Engineering Visualization	0	0	2	3	2	PC
Chemistry	3	0	2	0	4	IC-T
Python Programming	1	0	2	3	3	IC-P

The content in each course shall be organised into five logical units. The assessment and evaluation of the student performance varies based on the type of course as mentioned in section (7).

4.6 Level of Course

The courses shall be classified in different levels based on the complexity of the course or the study level as shown below:

- a) **Level 0:** Represents courses which are required to enter the programme (bridge courses), courses recommended by commission as mandatory learning and complimentary skill courses. Example: Complimentary Skill Courses.
- b) **Level 1:** Represents introductory courses without prerequisite which the students may choose during

first two years of programme. Example: Foundation, Programme Core and Experiential Elective courses.

- c) **Level 2:** Represents courses of medium complexity which the students may choose during middle to end of the programme. Example: Programme Core, Programme Electives and Skill Enhancement courses.
- d) **Level 3:** Represents courses of advanced complexity leading to specialisation in chosen area. Example: Programme Core courses of advanced Level.
- e) **Level 4:** Represents specialized courses requiring rigorous academic activity based on deep collaboration between students or independent study. Example: Honors and Experiential Elective courses.

4.7 Attendance Requirement

Students shall attend the courses regularly and the attendance of the students is recorded for every course till the last working day. The student shall secure minimum 75% attendance to attend the continuous assessments (till the week before the assessment starts) and for semester end examinations (by last working day).

4.7.1 Condonation of shortage of attendance

Students who secured minimum 65% attendance and availed prior medical leave, may apply for the condonation of shortage of attendance. The student shall apply for condonation of attendance at least two days prior to last working day. Head of the Department, upon satisfaction with genuine medical grounds, with medical certificate from an authorised physician along with other supporting medical reports, may recommend through proper channel to the Vice-Chancellor for the grant of condonation.

4.8 Grading System

The students will be awarded letter grade and corresponding grade point in each course based on their performance in continuous assessment and semester end examination. Based on the type of course either relative grading system or absolute grading system is followed.

4.8.1 Relative Grading system

The relative grading system shall be followed for Theory Courses (TC) and Integrated Course - theory (IC - T). Student is awarded a letter grade and the corresponding grade points based on the individual performance of the student relative to the performance of the class in the particular course, as shown in Table 3. However, for U grade (Table 3), either the last 10% of the students or

Table 3: Guidelines for relative grading system for courses with minimum 12 students

I	0	Incomplete		

students who secured minimum 40 marks whichever is lower shall be considered. The grade approval committee duly constituted by the Vice-Chancellor may recommended the change of grade ranges, in special cases considering the class size, to the result passing committee.

However, for courses with less than 12 students, absolute grading system as shown in Table 4 shall be followed.

4.8.2 Absolute Grading system

The students will be awarded letter grade and corresponding grade point based on the marks obtained by him/her on an absolute basis as shown in Table 4. The absolute

grading system is followed for Practical Course (PC) and Integrated Course (IC-P).

Table 4: Grade Conversion Table (for absolute grading)

Grade	Grade Points	Mark Range	Result
S	10	≥ 90	Pass
A	9	$\geq 80 < 90$	Pass
B	8	$\geq 70 < 80$	Pass
C	7	$\geq 60 < 70$	Pass
D	6	$\geq 55 < 60$	Pass
E	5	$\geq 50 < 55$	Pass
U	0	< 50	Fail
W	0	—	Failure for want of minimum attendance
I	0	—	Incomplete

4.9 Semester Grade Point Average (SGPA)

Semester grade point average (SGPA) is a measure of performance of work done in a semester. It is the ratio of sum of product of credit and grade point earned by a student in various courses in a semester and the sum of the credits earned in that semester. It shall be expressed up to two decimal places and same shall be mentioned in the semester grade card.

4.10 Cumulative Grade Point Average (CGPA)

Cumulative Grade Point Average (CGPA) is a measure of cumulative performance of a student in the programme. The CGPA is the ratio of sum of product of credit and grade point earned by a student in various courses in all the semesters and total credits earned in all the semesters. It shall be expressed up to two decimal places. CGPA shall be placed in semester grade card with CGPA till that semester.

5 Curriculum Structure

A Curriculum structure is a supportive structure to help departments to plan and develop their own curriculum and an important tool in ensuring the consistency and quality of education. The curriculum structure consists of various course categories to cover the depth and breadth required for the programme, and for the attainment of programme outcomes of the corresponding programme. The courses offered in the programme shall be grouped under the different course categories and shall satisfy the programme criteria recommended by professional bodies or the accreditation agency of the respective programme. The course content, credit and appropriateness to the course category shall be approved by respective Board of Studies and Academic Council.

5.1 Program Structure

a) **Foundation Courses**

Foundation Courses are preparatory courses which ensures the attainment of basic skills by equipping them with required knowledge and to bridge the gap to have right qualifications to pursue an under graduation programme. The foundation core courses shall have the courses related to language and communication, professional skills, digital knowledge, statistics, environmental studies and human values.

b) **Program Core Courses**

Programme Core courses consists of set of courses considered necessary for the students to attain programme outcomes. The courses and their contents under this category should satisfy the programme criteria prescribed by the appropriate professional society or accreditation agency.

c) **Program Elective Courses**

Programme Electives courses are discipline specific electives and shall cover the depth and breadth to further strengthen the programme specific knowledge. It help the leaner to explore, discover and experience areas or streams interest in the profession.

d) Skill Enhancement Courses

The Skill Enhancement courses feature courses with practical component to enhance the skill set of the learner. These courses focus on activity-based and goal-oriented, which aims to make the students able and efficient communicators in their domain.

e) Experiential Elective Courses

Experiential elective courses shall provide the scope to transform learning into action to achieve the unique goals of the students. The courses may include competitions to drive solution-oriented and critical thinking, internships with dynamic companies, community-focused project/activity and research oriented project. The Board of Studies may design any other course with similar outcome and fix the credits appropriately. The Board of Studies approved list of competitions with credits (based on the level and competitiveness) shall be maintained and continuously updated in department. A two week internship with industry be awarded one credit. The student can do multiple courses of same nature (e.g. Two different competitions, internship for 6 weeks, two community-focused projects).

f) Complimentary Skill Courses

The courses offered under this category are to complement the knowledge, skill and attitude acquired through the regular curricular courses through co-curricular and extra-curricular activities. No credits shall be awarded for the courses under this category. The students shall take at-least one course/activity from group I and II as given in Table 5.

Table 5: Complimentary skill courses - Groups

Sl. No.	Group	Course/Activity
1	I	NSS
2		Sports
3		Extra Curricular Activity
4	II	Value Added Courses
5		Co-Curricular Activity
6		Soft Skills

5.2 Course offering by external experts

Departments are encouraged to offer courses in recent trends using external experts (other than Adjunct/visiting/guest faculty) such as industry professionals and academics from other higher learning institutes under the program elective courses and university elective courses categories.

5.2.1 Course offering by experts from Industry

The courses offered by experts from industry shall be in the areas currently relevant to the industry. These courses shall enhance the students professional competencies and give exposure to the current industry practices. The course content, schedule, credits and expert profile shall be approved by the Board of Studies.

5.2.2 Course offering by academics from Higher Learning Institutes

The courses offered by the academics from other higher learning institutes is to deepen the students competencies recent/emerging areas. These courses further may motivate the students towards higher education or pursuing their elective courses in those areas. The course content, schedule, credits and expert profile shall be approved by the Board of Studies.

5.2.3 Course offering from MOOC platforms

The students are encouraged to do the courses from MOOC (Massive Open Online Course) platforms such as Swayam, NPTEL, Coursera and EdX to improve their self-learning ability and to enhance their breadth/depth. The students can choose the course from the list of courses approved by the respective Board of Studies or they can also propose to respective Board of Studies to consider the course for including in the list before start of the semester. The courses

from the MOOC platforms will be considered under Program Elective courses category. The students can choose upto 20% of total credits required for the programme under MOOC platforms.

6 Registration

6.1 Course Numbering Scheme

The course numbering scheme shall consist of digits/alphabets as shown in Figure 1.

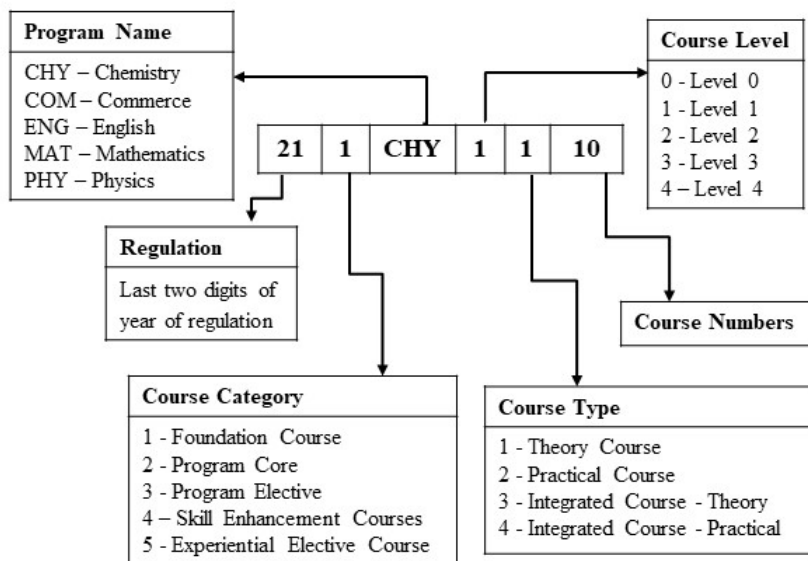

Figure 1: Illustration of course numbering scheme

6.2 Course Registration

The student shall register and/or withdraw the courses at least three working days before the commencement of the academic semester, in consultation with faculty advisor. Maximum number of students allowed to register

for a course shall be indicated against each course. The student shall register in a semester minimum of 18 credits and maximum of 25 credits. However, if the student has acquired requisite number of credits, the minimum required credits may be exempted.

A student is eligible to register course if he/she fulfils the requirement of pre-requisite by acquiring attendance in such course as per section 4.7.

6.3 Course Re-registration

A student may re-register the course in which he/she not acquired eligibility to write the semester end examination as per section 4.7, by paying requisite fee during regular semester. The students are permitted to re-register for maximum of 8 credits in a semester together with course registration as per section 6.2. A student who did not acquire eligibility to write the semester end examination as per section 4.7 in an elective course may re-register the same course or may register a different elective course.

6.4 Course Registration after minimum duration

A student may register the courses before their maximum duration of the programme as mentioned in Section 4.3.2, to fulfil the minimum credit requirement as mentioned in section 9.1 by paying the requisite fee together with regular semester students. If the student is eligible to register for

the courses offered during summer term as mentioned in section 8.4, he/she may register for the same by paying prescribed fee.

7 Assessment and Evaluation

Student performance is measured through various modes of examinations such as sessional examination, quizzes, home assignments, group assignments, viva-voce and semester-end examination. Student performance shall be measured throughout the semester through Continuous Assessment (CA) and Semester End examinations (SEE).

7.1 Continuous Assessment

Continuous Assessment shall be conducted by the course handling faculty/course coordinator all through the semester covering all the course outcomes. Continuous Assessment may vary based on the type of course as per section 4.5. Continuous Assessment shall follow the guidelines as given in table 6 most commonly. However, upon the recommendation of the Board of Studies and approval of Academic Council, the continuous assessment scheme may vary for specific course. The continuous assessment scheme of each course shall be given in the course plan.

Table 6: Scheme of continuous assessment based on type of course

Sl. No.	Course type	Mode of Examination	Weightage
1	TC	A) Sessional Examinations (two)	35%
		B) Open-ended Assignments (two) /Group Tasks(two)/Project/etc.,	15%
2	IC-T	A) Sessional Examinations (two)	35%
		B) Mid-semester practical	10%
		C) Regular laboratory performance	5%
3	PC	A) Mid-semester Practical	20%
		B) Open-ended Group Tasks (two) /Project/ etc.,	30%
		C) Regular laboratory performance	20%
4	IC-P	A) Mid-semester Practical	20%
		B) Sessional examination	10%
		C) Open-ended Group tasks/project/etc.,	20%
		D) Regular laboratory performance	20%

7.1.1 Continuous Assessment for Courses Under Experiential Elective Category

Department shall constitute a two member committee to assess the students performance in the courses/activities under experiential elective category. The continuous assessment for Experiential Elective consisting of community focused project/activity and research oriented project are

as follows:

- Two reviews by committee on the basis of rubrics given at the beginning of semester - **50%**.
- Assessment by Guide/course handling faculty - **20%**.

For internship in industry and competition there may not be continuous assessment.

7.2 Semester End Examination

Semester End Examination (SEE) shall be conducted by the Controller of Examination by following the standard operating procedure as approved by the Academic Council. The scheme of evaluation for semester end examinations may vary based on type of course as per section 4.5. Semester end examinations shall follow the guidelines given below ordinarily based on type of course:

- a) **Theory Course (TC):** There shall be semester end theory examination for 180 minutes duration and it shall measure the competencies of the students in all levels as mentioned against the respective course outcomes, in cognitive learning domain. The scheme of such question paper shall be as follows for 50%:
 - Part - A - shall have 10 questions testing the lower order cognitive skills covering all the five units - 20 Marks.

- Part - B - shall have 5 questions testing the higher order cognitive skills covering all the five units - 80 Marks.
- b) **Practical Course (PC):** There shall be semester end practical examination for 180 minutes duration to measure the expected competencies of the students as mentioned against the respective course outcomes. The evaluation of the performance shall be as per the rubrics and rubrics for 30% shall be given in course plan.
- c) **Integrated Course - Theory (IC-T):** The semester end examination for the integrated course shall measure both the theoretical and practical components, with varying weightage, of the course covering all the course outcomes. The semester end examination for integrated course - theory mentioned in section (4.5) shall be as
- Semester end theory examination - 35%.
 - Semester end practical examination - 15%.
- d) **Integrated Course - Practical (IC-P):** The semester end examination for the integrated course shall measure both the theoretical and practical components, with varying weightage, of the course covering all the course outcomes. The semester end examination for integrated course - practical mentioned in section (4.5) shall be as:

- Semester end theory examination - 15%.
- Semester end practical examination - 15%.

However, the semester end examination scheme may vary for specific course as recommended by the Board of Studies and approved by Academic Council based on the special needs of the course.

7.2.1 Semester end examination for courses under experiential elective category

Department shall constitute a three member committee, out of which one is nominated by the Dean of the school, to assess the individual student performance in the courses under experiential elective category. The committee shall evaluate the performance as per the rubrics given in course plan for 30%.

7.3 Scheme of Instruction and Evaluation for Complimentary skills (Non-credit)

The scheme of instruction and evaluation for the complimentary skill courses is as mentioned in Table 7 - 12. The students shall take least one course/activity from group I and group II as given in Table 5.

Table 7: Group I: National Service Scheme (NSS)

7.4 Makeup Examination

The students who have missed the continuous assessment and/or semester end examination(s) for genuine reasons, upon the faculty advisors recommendation, competent authority may permit them to appear for the make-up examination(s). The application for make-up examination shall be submitted through proper channel for the final approval as follow:

- Continuous Assessment - Dean of the concerned school.
- Semester end examination - Vice-Chancellor.
- If the student applies both continuous and semester end assessment, Vice-Chancellor shall decide the application and only semester end examination performance will be considered with 100% weightage.

7.5 Supplementary Examination

The student who failed a course after semester end examination(s) (as per grading who got U or AB or I) may appear for the supplementary examination(s) whenever it is scheduled in subsequent semesters. Continuous assessment marks in the course shall remain same.

8 Program Management

8.1 Mobility and Credit Transfer

The students are encouraged to pursue the courses offered by MOOC platforms as per section 5.2.3 and from international institutions of higher learning either virtually or in-person. The equivalent credit for the chosen course will be decided by a committee consisting of Dean, HoD and one faculty member nominated by Dean. The decision of the committee shall be placed for ratification/approval before Board of Studies and Academic Council. The equivalent

grade points for the marks/grades/grade points awarded by different MOOC platforms and international institutions of higher learning will be decided by a committee duly constituted by Vice-Chancellor. The decision of the committee shall be placed for ratification/approval before Academic Council.

8.2 Migration from other Institutions

The academic programme offers Choice Based Credit System(CBCS) and transfer of credits. This enables a student to migrate mid stream from other institutions to this institute. The students from other universities within and outside India (Association of Indian Universities [AUI] equivalency norms will be followed) can also join programmes of their choice mid stream subject to vacancy in the desired program. The equivalency for the already studied courses and the courses required to be studied will be decided by a committee consisting of Dean, HoD and one faculty member nominated by Dean. The decision of the committee shall be placed for ratification/approval before Board of Studies, Academic Council and Board of Management.

8.3 Break in Study

A student may temporarily withdraw from the programme in the middle of semester for valid reasons (such as accident or hospitalization due to prolonged ill health), with the recommendation of the faculty advisor and prior approval

of Vice-Chancellor. A student will be permitted to discontinue the programme for a maximum period of only two semesters. A student who is permitted to discontinue may rejoin the programme at the appropriate semester only with regular students at the time of normal commencement of that semester. A student who discontinues and rejoins shall be governed by the rules, regulations, programme of study and syllabus in force, at the time of his/her re-joining the programme. The maximum duration of the program shall remain same as given in section ?? However, the MOOC courses or experiential electives which he/she might have done during this period will be accounted as and when the student re-joins the program.

8.4 Summer Term

Summer Term is a short duration term (half the duration of the normal semester) run during the summer vacation. The students who have obtained the eligibility to write the semester end examinations but not successful or absent to semester end examination alone are eligible to pursue the courses offered during summer term.
