1. GENERAL

ABOUT KALASALINGAM ACADEMY OF RESEARCH AND EDUCATION (KARE)

In 1984, the founder chairman of the institute, Kalvivallal Sri. T. Kalasalingam, started the institute as an engineering college with the name of Arulmigu Kalasalingam College of Engineering through the Kalasalingam Anandam Ammal Charity trust. His philanthropic vision to promote the dry-tract of the Virudunagar district through education gradually materialized. The institute obtained Deemed to be University status in the year 2006 and named as Kalasalingam Academy of Research and Education (KARE).

KARE is near the Thirumangalam-Kollam highway (NH 744) at a distance of 65 km from Madurai and 12 km from Srivilliputtur. The Alwars, who lived in the nearby town Srivilliputtur, which was popular due to the Lord Vishnu's temple, and the Siddha devotees of Lord Siva, who dwell in Chaturagiri hill forest temple, established this land as a seat of spiritual wisdom. While wisdom-seat was already established in ancient periods, the modern establishment is by KARE. KARE spreads over 163 acres in the foothill of western-ghat with a built-up area of 21,59,274 square foot in a pleasant green eco-friendly campus with 30% greenery of its total area in the foothills of the Western Ghats.

KARE offers 33 undergraduate, 31 postgraduate and 17 Ph.D. programmes in all arts, science, management and technology domains. KARE is the first institution in India to offer B. Tech. for the Speech & Hearing Impaired Students (SHIP). A special B.Ed. (Hearing Impaired) programme approved by the Rehabilitation Council of India (RCI) is offered. KARE's academic programmes have many innovative features like one-credit course by industry experts or researchers, laboratory course with mini-project, theory course with practical components and mandatory community service projects. Full-fledged CBCS system has been implemented with integrated courses (theory and laboratory integration) and more number of online courses (with credit earning) as a special feature. Innovative programmes are introduced such as M.Tech. (Manufacturing Engineering) specially designed for the employees of TAFE and MBA (Actuarial Science). KARE also offers B.Voc. programmes in 5 domains.

KARE was re-accredited by NAAC in 2015 with 'A' grade and CGPA of 3.11 out of 4. Six of undergraduate engineering programmes namely Biotechnology, Civil Engineering, Computer Science and Engineering, Electrical Engineering, Electronics and Communication Engineering, and Mechanical Engineering were accredited by NBA under Tier-I category. Among these, the B.Tech. Mechanical Engineering programme was accredited for six years while other programmes were accredited for 3 years. KARE has participated in the NIRF ranking process from the beginning and ranked 96th in engineering category in the country recently. KARE has been ranked 25th among world universities in a rural set-up, 6th among Indian Universities in UI Green-Metric Ranking 2017.

KARE obtained 33 new projects from Government agencies this year and continuing to maintain high ranking among the private institutions by Scimago Institutional Ranking for quality research with h-index 51 (*Scopus*). KARE publishes 'AKCE International Journal of Graphs and Combinatorics' through *Elsevier*. The Center 'n-CARDMATH', established with DST funding, is one of the important centers in the country for Discrete Mathematics. KARE has a TIFAC-CORE in Network Engineering and a Bosch Centre of Excellence. NI-KARE, a Centre of Excellence established with the help of National Instruments, USA, offers courses for Certified LabVIEW Associate Developer (CLAD) certification to students free of cost. KARE established an International Research Center encompassing an Advanced Instrumentation Center to cater to the needs of researchers in the field

of material science with high-end instruments worth more than Rs. 2 Crore with a research focus on composite materials, crystallography, solid state ionics including nanomaterials for energy and biological applications. Sponsored projects worth more than Rs. 3 Crore are ongoing in this center. The International Research Centre (IRC) at KARE is equipped with state-of-the-art research equipments like Scanning Electron Microscope, Energy Dispersive X-ray Spectrometer (EDX), X-Ray Diffraction Unit, FT-IR and Atomic Absorption Spectrophotometer. IRC caters to the needs of KARE members and offering services to nearby institutions and industries. Besides these, research is being carried out in various research centers.

KARE has modern ICT enabled learning facilities like virtual-laboratories, video-conferencing, LMS, interactive online course facilities, smart-classrooms, and Impartus-video capturing systems. KARE has impressive placement records with more than 138 companies visiting every year. About 47% of the faculty members are Ph.D. holders, and many of them are having doctoral or post-doctoral experiences abroad. KARE's faculty members have established collaborations with more than 100 researchers in various countries resulting in joint publications. KARE has well-furnished hostels for men and women with ample A/C rooms, attached bathrooms, etc.

KARE's product 'Automatic power-factor controller for three-phase AC power supply with very fluctuating load' got appreciation from the Tamilnadu Electricity Board. KARE installed a solar power plant with a capacity of 214 kW, generating 1070 units/day and 390550 kW/year. More than 160 solar-powered street lights (LED) of 11 kW capacity were installed in the campus. Hostels are with smart electric meters, free in-house laundry, and hygienic kitchen facilities with vegetarian, non-vegetarian, South-Indian, and North-Indian messes. Ample facilities are available for sports including an Olympic size swimming pool and modern gym. Institute's health center has 39 beds for in-patients. Central library is fully automated with MODERNLIB software with an internet bandwidth speed of 246 Mbps + 1Gbps under National Knowledge Network and contains more than 82000 hardcopy books, more than 29000 e-books, more than 400 hardcopy, and 4200 e-journals.

KARE has introduced many scholarship schemes like the first-graduate scholarship, free hostel accommodations which are provided to students from economically weaker sections. Sports scholarships for provided to the students who excel in sports. In 2017-18, 73 students received 100% fee concession. KARE facilitates student exchange programme with partner universities through the semester abroad program. Decentralization of power is exercised through the School system. A well-established Grievance Redressal System is in place with the establishment of Anti-Ragging Committee, Anti-Discrimination Committee, Examination Monitoring and Grievances Redressal Committee, Internal Compliance Committee and the Discipline Cell. E-governance is followed in most of the administrative processes.

ACCREDITATION, RANKING, AND APPROVALS

NBA Accreditation to B.Tech. Programmes

Based on the application of KARE for accreditation to B.Tech. programmes of Civil Engineering, Electrical Engineering, and Mechanical Engineering, an NBA committee Chaired by Prof. G.L. Dutta, Former Professor of IIT-Kharagpur, visited the institute during 27th to 29th of October 2017. The following were the other members of the committee: Prof. John, Siby , Department of Civil Engineering, PEC University of Technology, Chandigarh, Prof. Wayal, Abhaykumar S., Head & Associate Professor, Civil & Environmental Engineering Department, Associate Dean (Infrastructure & Planning), Veermata Jijabai Technological Institute, Mumbai, Prof. Navdeep M. Singh, Professor, Department of Electrical Engineering, Veermata Jijabai Technological Institute, Mumbai, Prof. Manoj Kumar Panda, Department of Electrical Engineering, Govind Ballabh Pant Institute of Engineering & Technology, Pauri Garhwal, Uttarakhand, Prof. Sehijpal Singh Khangura, Department

of Mechanical Engineering, Guru Nanak Dev Engineering College, Ludhiana, Punjab, and Prof. Mohd. Islam, Department of Mechanical Engineering, Jamia Millia Islamia, Jamia Nagar, New Delhi. During the exit meeting, the expert team appreciated for the good infrastructure facilities, faculty-student ratio, well maintained clean campus, and the commitment of faculty members and management. NBA gave 6 years accreditation to B.Tech. Mechanical Engineering programme and each 3 years accreditation to B.Tech. Civil Engineering, and Electrical Engineering programmes. The NBA website now lists the following programmes of KARE as shown below.

MHRD's Swachh Rank

For 2017-18 Swachh rank, 6029 HEIs applied online with the details sought by MHRD, GoI, among these 205 institutions were shortlisted based on the scientific parameter like rain-water harvesting, solar-power, quality of hostel kitchen apparatus, water supply system quality, maintenance method sophistication, etc. AICTE & UGC inspected all 205 institutions, and KARE was ranked 7th in Technical Institutions/Universities (Residential) category.

UI Green Metric Ranking

The UI Green Metric World University Ranking is an initiative of *Universitas Indonesia*, which was launched in 2010. The aim of this ranking is to provide the result of an online survey regarding the current condition and policies related to Green Campus and Sustainability in the Universities all over the world. For the year 2017, KARE was ranked as 281st among 691 institutions from across the globe and has been ranked as the 6th institution among the Indian Institutions.

30TH CONVOCATION

The 30th Convocation was held on 19.08.2017. Ms. Vani Sheshadri, Global Head-Inclusion & Diversity, Accenture delivered the convocation address and distributed degrees to students belonging to various faculties of Engineering, Arts, Science. Rank holders in each of the programmes of study were given medals and certificates. Degrees were awarded to 891 B.Tech. graduands, three B. Tech. (SHIP - Speech and Hearing Impaired Person) graduands, 73 M.Tech. graduands, 123 Business Administration graduands, 33 MCA graduands, 51 other PG graduands courses, and 33 Ph.D. graduands. Delivering the convocation address, Ms. Vani Sheshadri emphasized that academic grades alone were not just sufficient in this information age but the skills like communication place a vital role in success. She stressed on hard-work, dedication, zeal and converting failures as steps to achieve.

2. ACADEMICS

NEW ACADEMIC PROGRAMME

During the academic year 2017-18, KARE launched the following new programmes.

1. B.Tech. Aeronautical Engineering
2. B.Voc. in Farm Equipments and Machinery
3. B.Voc. in Medical Laboratory Technology
4. B.Com. (Professional Accounting)
5. B.Sc. Agriculture (Honours)

ACADEMIC COUNCIL MEETINGS

An academic council meeting was conducted on 25.01.18 in which revision of the M.Tech. curriculum and syllabus were accepted. Another academic council meeting was held on 23.06.18 in which the B.Tech. curriculum and syllabus were accepted considering the new AICTE model curriculum and syllabus. The major change was the revision of the total credit requirement to about 160 for all B.Tech. programmes. The academic council meetings were attended by the external members Dr. C. Chandra Sekhar, Professor, Department of Computer Science, Indian Institute of Technology-Madras, Chennai, Dr. S. Arul Daniel, Professor, Department of Electrical and Electronic Engineering, National Institute of Technology, Trichy, Dr. S. Nehru, Principal, Mannar Thirumalai Naicker College, Madurai, and Mr. Anand Pillai, Education Lead-India & SAARC, at Autodesk, India.

3. STUDENT SUPPORT AND PROGRESSION

SCHOLARSHIPS AND FINANCIAL SUPPORT

KARE supports the students through many scholarships like merit scholarships (JEE based from 100 % tuition fee to 10% tuition fee, Physics-Chemistry-Mathematics based from 60% to 10% of tuition fee, NEET based from 50% to 25%, Kalasalingam Engineering Entrance Examination based from 50% to 50 of tuition fee), first-graduate scholarship, free hostel accommodations to economically weaker students, and sports scholarships. In the academic year 2017-18, 73 students received a 100% fee concession for their excellence in sports and games. The details for financial support to the students are presented below in the table.

Scholarships and Financial Support	Number of students	Amount (Rs.)

PLACEMENT SUMMARY

The office of Corporate Relations organized a series of placement training programs by experts to facilitate the students to be competent and to provide the students an exposure to the needs of the industries. The objective is to make the students efficient in technical, aptitude and soft skills. The training included communication skills, personality development, mathematical, technical, verbal aptitude, analytical and reasoning, group discussion, interview skills, soft skills, etc. The Yoga and physical education trainings play a significant role in placements.

SUPPORT TO RESEARCH BY KARE

To promote research activities, KARE provides the stipend to full-time Ph.D. students if a scholar is not receiving a financial scholarship from other sources. Further, young researchers with Ph.D. qualification are also invited to the institute to continue their research. Such Post-Doctoral scholars are also provided the financial scholarship. The following table provides details of such financial supports provided to scholars in 2017-18.

RESEARCH INCENTIVES FOR PUBLICATIONS AND PATENTS

KARE encourages research by 'Professional Development Allowance' and 'Research Incentive Awards'. Professional development allowance varies from Rs. 2,500 to Rs. 25,000 per month and there are many faculty members receiving this allowance. For those who are not eligible for professional development allowance, cash rewards are provided based on the number of papers published in journals having more than impact factor 3.0, impact factor between 0 and 3, number of papers published in Scopus listed journals, number of book publications and number of patents published. The following table details the rewards distributed for 2017-18 on 27.09.2018. Apart from these, for an amount of Rs. 37.77 lakh had been spent towards patents in 2017-18.

IQAC QUARTERLY REVIEW MEETINGS

IQAC quarterly review meetings were conducted on the following days 23.09.2017, 04.12.2017, 17.03.2018 and 08.07.2018. The following external members participated the meetings.

1. Dr. M.G. Sethuraman, Director (IQAC), Professor & Head Department of Chemistry, Gandhigram Rural University, Dindigul.
2. Dr. N. Alagumoorthy, Professor, Department of Mechanical Engineering, Pondicherry Engineering College, Pondicherry.
3. Mr. Sivakumar, AGM-HR, Admin, J.K. Fenner (India) Ltd., Madurai.
4. Mr. A. Vijayakumar, General Secretary and Project Director, Human Resource Foundation, Sivakasi.

Some of the important outcomes of the IQAC meetings are listed below.

1. Industrial Training Programme for faculty members through Infosys and Wipro. More than 40 members were trained.
2. Flipped classroom has been implemented. Most of the departments identified courses and topics.
3. To promote the consultancy services of the institute, 2 industry academia meets were conducted.
4. Entrepreneurship Incubation Centre was started
5. Number of students doing their internships through *Internshala* has been increased. KARE secured 99th rank for student internship through *Internshala*.
6. Workshops and seminars were organized on IPR.
7. Research Ethical Committee has been formed.
8. To increase the number of publications and quality of publication, targets were set for research publications per faculty.
9. Alumni chapter meeting was conducted to strengthen the alumni activity.
10. Number of courses offered as 'Theory with Practical Component' was increased.
11. Separate feedback collected on 'Laboratory with mini-project' and 'Community Service Project' courses through student quality circle members.

IQAC-DAY 2017

KARE organized 3rd IQAC-Day on 13.11.2017. The function started with a speech by Dr. S. Shasi Anand, Vice-President. This was followed by the distributing awards to faculty members and students. The summary of the awards are listed in the table below.

Award Title	No. of recipients
Teaching Competency Award to Faculty Member	45
Research Competency Award to Faculty Member	28
Advisorship (UG mentoring) Competency Award to Faculty Member	10
Motivation Award to Faculty Member	33
B.Tech. Major Project Award to Students	55
B.Tech. Laboratory with Mini-project Award to Students	62

Among the engineering and technology streams, best performance awards were given Departments of Computer Science and Engineering (I rank), Civil Engineering (II rank) and Mechanical Engineering (III rank). Among the arts and science streams, Department CS&IT (I rank), Department of Master of Social Works (II rank) and Department of Commerce (III rank) were award.

EXTENSION ACTIVITIES AND INSTITUTIONAL SOCIAL RESPONSIBILITY

- Invention of low-cost milking machine through community service project to help the economically challenged people
- Development of Aqua Monitoring System through community service project to improve the fish and prawn culture which would help people depending upon shrimp culture
- Development of Waste Water Treatment system by students through community service project which will be used for gardens
- Development of the sign language translator by students through community service project - an aiding device which uses a hand-glove embedded with sensors for converting sign language into English (textual language) language
- Development of Automatic Irrigation System Based on Soil Moisture Sensor through community service project
- Development Automatic Blind Cane Using Advance Technology for the visually impaired persons through community service project

CELEBRATIONS AND OBSERVATIONS

KARE celebrates all important celebrations and observations to foster the national integration and scientific temperament in the minds of students, respect for the sacrifices of our freedom fighters, leaders, scientists etc and understand the diversified cultural heritages of India.
