Women Access Scheme

Our university adopted Mentor Mentee scheme which is necessary for the personal and Professional growth of all students and succeed in learning and development within the Campus. Each faculty member should not have more than 30 students with them. The mentors will counsel students on academic and non-academic issues as required in order to take care of the overall growth and development of students

Mentorship is also provided for the new staff members to identify and explore the potential and capabilities of the young and new staff. This improves the quality of performance of staff and faculty and enhances and develops them personally and professionally.

- KARE inhouse software is used for regular monitor of student's performance in terms of academic and personnel issues. This platform aids for regular monitor and improve the academic level for their successful completion of studies as well as to address core inequalities in access and participation, from a very early stage.
