Every month mentor will conduct meeting for their wards and minutes will be recorded and students grievances will be noted and action will be taken for them. If women student need any counselling they can met them after 4.40pm regular days and they guide them for the issues and problems faced in the class room .

KARE provides counselling for girl students. A counsellor has been appointed to assist the students with personal concens, mental tension, depression and general apathy in academics, studnet faculty relationship, exam failure and losses.

Counselling center at KARE

KARE offers essential counseling services for students, addressing a range of issues including personal concerns, mental tension, depression, and academic apathy. The appointed counselor is dedicated to supporting students in navigating challenges like faculty relationships, exam failures, and emotional losses. By providing a safe and confidential space, the counselor helps students develop coping strategies, improve their mental well-being, and enhance their academic performance. Whether students need someone to talk to or guidance on specific issues, KARE is here to help foster a healthier, more supportive educational environment.
