Engineering, Kalasalingam University.

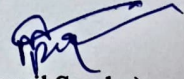

Respected madam,

We are planning to conduct awareness program on “**Energy Efficiency and Conservation**” to the public at S. Puthupatti village on 26-09-2022. This program is to inculcate the habit of conservation and sustainability in the rural peoples and also enhance the awareness level amongst the public on energy efficiency and inform them about the qualities of adopting energy conservation.

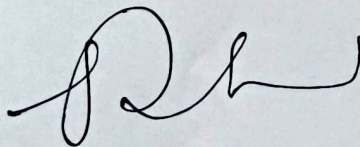

Hence, I request you to give approval to conduct the program and allow two more faculty members to support me for smooth conductance of the program.

Thank you.

yours truly,

(K. Muthamil Sundar)

REPORT ON "AWARENESS PROGRAM ON "ENERGY EFFICIENCY AND CONSERVATION" - An Outreach Activity

No.: KARE/2022-23/SOC/CSE/Outreach/01

Date: 26-09-2022

Venue: S. Puthupatti village

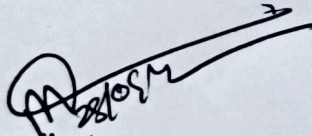

Time: 09.00 am to 4.00 pm

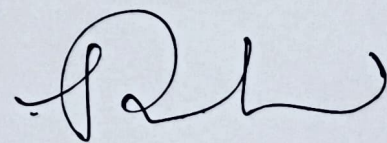

The awareness program on "ENERGY EFFICIENCY AND CONSERVATION" was organized by the department of Computer Science and Engineering on 26-09-2022 at S.Puthupatti village. Mr. T. Adhinarayanan, Assistant Engineer, Electricity Board, Srivilliputtur inaugurated the program and explained in details about various energy conservation methods available for domestic and agriculture applications. Mr. K. Muthamil Sudar, Faculty organized the event. Twenty B.Tech. CSE students (third year) participated in the program. Twenty-five villagers attended the program.

The villagers reported the issues in energy consumption in domestic and agricultural purpose. After the interaction with the villagers, the students were asked to give ideas for automating such innovative solutions. Students suggested some ideas like auto-controlled irrigation system, Mobile Application for domestic and agricultural electric power consumption monitoring, and the solar powered households.

Outcomes of the program:

- The villagers got some idea on how to reduce the energy consumption by various available solutions in their day-to-day activities.
- Students got experience on the various practical issues faced by the public in relevant to domestic and agricultural applications.
